

## Luxo's Quick Guide to Task/Contract Product Changes

Updated 6-10-2009

**As we are in the process of simplifying our product line to ensure we continue to provide the absolute best products and support, we have changed and/or discontinued the following versions that are readily replaced by our newer products.**

Product	Change	Replacement Product	Comments
20/20	Discontinued	Solaris	20/20 undercabinet light has been discontinued and replaced with Luxo's new Solaris which yields stronger, wider light output and eliminates any unwanted glare. 15W, 17W or 25W T5 fluorescent light sources and black or white color options are available.
Air/Air LED	Long arm versions are discontinued	Short arm Air/Air LED versions	900mm/35in. Air and 800mm/31.5in. Air LED models have been discontinued in favor of more ergonomically sized 600mm/24in. models.
Air Modul	Discontinued	Terea	Air Modul has been discontinued. Luxo's new Terea cost-effective LED task light with panel mount provides a good alternative.
Arca	Discontinued	Silvy and Glider	The Arca family of products has been discontinued in favor of Silvy and Glider families of products which include Table, Floor and Partition models.
Arketto/Arketto LED	Discontinued	Ninety	Arketto and Arketto LED have been discontinued. Like the Arketto, Luxo's Ninety provides comprehensive range of motion and features 4x1.4W Dimmable LEDs which draw only 7.8W of energy.
Aurora	Discontinued	-	Aurora Floor and Table models have been discontinued. Luxo's growing line of energy-efficient, adjustable task lights and direct/indirect system luminaires are suitable replacement as products have been designed to satisfy the individual need of any size or shape workspace.
Calypso	Dimmable and Light Grey colors are discontinued	Black and Black/Aluminum Grey colors	Light Grey and Dimmable models of the Calypso task light have been discontinued. Black and Black/Aluminum Grey color options are still available.
Ergolite	Table/Desk Base and Edge Clamp versions are discontinued	Verit	Table/desk base models of the Ergolite have been discontinued. Panel and Magnet Mount models are still available, but customers who prefer table/desk base or edge clamp mount fluorescent task lights can find an alternative with Luxo's new Verit fluorescent task light.
ESOL	Discontinued	Air LED	ESOL has been discontinued, but customers can find a comfortable alternative with Luxo's Air LED which now provides 1070 Lux at a 15° asymmetric angle, 3000°K color temperature and 90-93 CRI.

Free	Discontinued	Silvy and Glider	Free has been discontinued. The remaining Silvy and Glider direct/indirect families of products include Floor, Partition and Table mount versions which make them suitable alternatives.
Glider	2x39W lamping is discontinued	4x39W lamping	2x39W versions of the Glider have been discontinued. 2x39W and 2x54W lamping options are still available.
Great I	Milan Red color is discontinued	Black, White, Aluminum Grey	Great I is no longer offered in Milan Red. Black, White and Aluminum Grey color options are still available.
Isy	Discontinued	Silvy and Glider	The Isy family of direct/indirect products has been discontinued. Customers can look to the Silvy and Glider families as replacements.
L-I	Updated	-	L-I is now standard with an energy-efficient CFL lightsource and has been redesigned to include a convenient on/off switch on the front of the shade. Models are now sold with an Edge Clamp as standard; Optional Table/desk Base and Floor Mounts sold separately. The Metallic Grey color option has been changed to Silver Grey.
Memo	Discontinued	Verit	While Memo has been discontinued, Luxo's new Verit task light includes a 13W energy-efficient lightsource and is offered with an edge clamp or table/desk base accessory.
Sonnet	Discontinued	Verit	Sonnet task lights have been discontinued. Customers can find a comfortable alternative in Luxo's new 13W Verit fluorescent task light.
Roundlight	Discontinued	-	Roundlight Floor and Table models have been discontinued. Luxo's growing line of energy-efficient, adjustable task lights and direct/indirect system luminaires is a suitable replacement as products have been designed to satisfy the individual need of any size or shape workspace.
Silvy	Floor Adjustable models are discontinued	Floor, Table and Partition models	Silvy Floor Adjustable models have been discontinued. Floor, Table and Partition models are still available.
Vision	Discontinued	Verit	Vision task lights have been discontinued. Luxo's new Verit task light is offered with a similar 13W fluorescent lightsource.
Wing	Discontinued	Verit	Wing task lights have been discontinued in favor of Luxo's new Verit task light which provides a stylish upgrade with versatile spring-balanced arm technology and the same 13W CFL lightsource.
