

JFM

JFM Magnifiers - Luxo's newest high-quality illuminated magnifiers. Like the WAVE+Plus Magnifiers, manufactured in Europe, JFM Magnifiers are an ideal medium-duty magnifiers for inspection, assembly and rework applications.

- 5" diameter 3-diopter (1.75X) or 5-diopter (2.25X) optical quality white crown glass lenses
- 22-Watt circline fluorescent lamp
- Instant-on switch
- Minimum Clearance Bracket allows for almost zero clearance (approx. 1/4" (6.35mm))
- Adjustable neck moves the magnifier head vertically and horizontally for complete flexibility
- Lamp diffuser cover
- 30" or 45" reach external spring arm
- Electronic ballast produces 15% greater light output
- UL/CUL listed
- 5 year warranty
