

Ondina

Ondina - Shorter version of Luxo's award-winning Onda. Modular suspension which provides softly diffused undulations of glare-free ambient direct/indirect lighting in a contemporary design. Formed of an oval body in drawn aluminum for housing the electrical components and lightsource. Ondina can be installed singularly or in continuous rows, suspended by adjustable steel cables.

- Lightsource: FLC 2x55W
2G11
- 120V or 277V
- HF ballast
- Color: White
